

Katherine B. Ehrlich

kehrlich@uga.edu

CURRENT POSITION

- 2021– Associate Professor, University of Georgia
Department of Psychology | Center for Family Research (joint appointment)
- 2016–2021 Assistant Professor, University of Georgia

EDUCATION

	Postdoc	Health Psychology	Northwestern University
2012	Ph.D.	Developmental Psychology	University of Maryland
2008	M.S.	Developmental Psychology	University of Maryland
2006	B.A., <i>magna cum laude</i>	Psychology	Washington & Lee University

HONORS AND AWARDS

- 2021 Charles B. Knapp Early Career Scholar Award, University of Georgia
- 2020 Georgia CTSA Presidents' Award for Distinction for Team Science (with Drs. Ted Ross and Brad Phillips)
- 2020 Excellence in Health Psychology Research by an Early Career Professional Award (Society for Health Psychology, APA Div 38)
- 2020 Outstanding Research Mentoring Award, Behavioral and Brain Sciences, UGA
- 2020 APA Distinguished Scientific Award for Early Career Contribution to Psychology (Health Psychology)
- 2020 John and Polly Sparks Foundation Investigator, Brain & Behavior Research Foundation
- 2019 Fellow, Association for Psychological Science
- 2019 Janet Taylor Spence Award for Transformative Early Career Contributions, Association for Psychological Science
- 2018 Fellow, the Owens Institute for Behavioral Research (UGA)
- 2016 Association for Psychological Science Rising Star Award
- 2014 American Psychosomatic Society Young Scholar Award
- 2011 Jacob K. Goldhaber Travel Award
- 2011 University of Maryland International Conference Student Support Award
- 2011 SRCD Travel Award
- 2010 The Milton Dean Havron Social Sciences Award for Excellence in Graduate Study
- 2010 University of Maryland Distinguished Teaching Assistant Award
- 2009 SRCD Travel Award
- 2005– Omicron Delta Kappa
- 2005– Psi Chi
- 2003–2006 Dean's List, Washington and Lee University

EDITORIAL POSITIONS

Associate Editor

Journal of Family Psychology, *January 2021 – Present*

Editorial Board

Consulting Editor, Journal of Clinical Child and Adolescent Psychology, *January 2016 – Present*

International Advisory Board, Attachment and Human Development, *January 2016 – Present*

Editorial Board, Journal of Early Adolescence, *November 2017 – Present*

Editorial Board, Development and Psychopathology, *February 2018 – Present*

Editorial Board, Journal of Family Psychology, *October 2018 – Present*

Consulting Editor, Child Development, *July 2019 – Present*

Consulting Editor, Developmental Psychology, *January 2021 – Present*

Ad Hoc Reviewer (Current and Previous; 43 Total Peer-Reviewed Journal Outlets):

Administration and Policy in Mental Health; American Journal of Orthopsychiatry; American Psychologist; Annals of Behavioral Medicine; Applied Developmental Science; Attachment & Human Development; Biological Psychiatry; Biological Psychology; Brain, Behavior, and Immunity; Cancer, Child Development; Child Development Perspectives; Clinical Psychology Review; Current Directions in Psychological Science, Development and Psychopathology; Developmental Psychobiology; Developmental Psychology; Health Psychology; Journal of Abnormal Child Psychology; Journal of Adolescence; Journal of Child and Family Studies; Journal of Clinical Child and Adolescent Psychology; Journal of Community Psychology; Journal of Early Adolescence; Journal of Family Issues; Journal of Family Psychology; Journal of Mental Health; Journal of Psychopathology and Behavioral Assessment; Journal of Research on Adolescence; Journal of Research in Personality; Journal of Social and Personal Relationships; Journal of Youth and Adolescence; Learning and Individual Differences; Merrill-Palmer Quarterly; Pediatrics; Personal Relationships; Personality Disorders: Theory, Research, and Treatment; Personality and Social Psychology Bulletin; Psychoneuroendocrinology; Psychosomatic Medicine; Scientific Reports; Social Development; Stress

EDITOR FOR SPECIAL ISSUE

1. Ehrlich, K. B., & Cassidy, J. (2019, January). Attachment and physical health. Special issue in *Attachment and Human Development*, 21.

GRANTS AND FELLOWSHIPS

Active

2020 – 2025 **NIDA P50 DA051361**

Neuroscience, Immunology, Social Adversity and the Roots of Addictive Behaviors: Toward a New Framework for Drug Use Etiology and Prevention

Research Project 3: Intergenerational Transmission of Neuroimmune Vulnerabilities for Addictive Behaviors among African American Youth: A Three Generation Study

Role: Research Project III Leader; Executive Committee Member
(Proposed budget: \$9,990,720; 15% effort)

- 2019-2024 **NICHD R01 HD030588-25**
Developmental, Contextual, and Psychosocial Predictors of Weathering and Health among Rural African Americans in their Fourth Decade of Life
Role: Co-investigator (PI: Dr. Gene Brody)
- 2019-2021 **Jacobs Foundation Early Career Research Fellowship**
Skin Deep Resilience, Proinflammatory Phenotypes, and Cognitive Development
Role: Principal Investigator (total direct costs: \$150,000)
- 2019-2022 **NARSAD Young Investigator Grant**
John and Polly Sparks Foundation Investigator
Skin Deep Resilience, Proinflammatory Phenotypes, and Depression Risk in Youth
Role: Principal Investigator (total direct costs: \$70,000)
- 2018-2023 **NIH New Innovator Award DP2 MD013947**
Innovative Approaches to the Study of Social Determinants of Health in Children
Role: Principal Investigator (total direct costs: \$1,500,000)
- Completed**
- 2018-2020 **NICHD R03 HD093918**
Parental Depression and the Early Origins of Disease across Three Generations
Role: Principal Investigator (total direct costs: \$100,000)
- 2018 **UGA Clinical and Translational Research Unit Seed Grant**
Intensive Parenting Beliefs in the Transition to Parenthood: Effects on Parent Mental and Physical Health, Co-parenting Relationships, and Father Involvement
Role: Co-investigator (\$19,448)
- 2017 **UGA Clinical and Translational Research Unit Seed Grant**
Stress, Protective Factors, and Antibody Response to Influenza Vaccination in Children
Role: Principal Investigator (\$51,120)
- 2017 **UGA Owens Institute for Behavioral Research Seed Grant**
Early Life Stress, Parenting, and Risky Decision-Making: A Follow-up Study
Role: Co-investigator (\$9,521)
- 2016 **UGA Student Affairs Faculty Research Grant Award**
Parent-Child Relationships Across Students' Transitions to College
Role: Co-Principal Investigator (Co-PI: Anne Shaffer, PhD; \$4,600)
- 2013-2015 **Postdoctoral NRSA – Ruth L. Kirschstein National Research Service Award**
Adolescent Social Relationships and Immune, Endocrine, and Metabolic Processes
Agency: NICHD (F32 HD076563-01) (\$98,644)
- 2009-2012 **Predocctoral NRSA – Ruth L. Kirschstein National Research Service Award**

Parent-Adolescent Relationships, Distress Tolerance, and Adolescent HIV-Risk Agency: NIDA (F31 DA027365-01) (\$99,471)

- 2009 Graduate School Summer Research Fellowship, University of Maryland (\$5,000)
 2008 Janet W. Johnson Summer Fellowship, University of Maryland (\$5,000)
 2005 Robert E. Lee Research Scholar, Washington & Lee University (\$2,170)
 2004 Robert E. Lee Research Scholar, Washington & Lee University (\$2,790)
 2003 National Science Foundation Scholar, Washington & Lee University (\$3,300)

MANUSCRIPTS UNDER REVIEW

- Maner, J. K., Hasty, C., Martinez, J. L., **Ehrlich, K. B.**, & Gerend, M. A. (under review). The role of childhood unpredictability in adult health-related quality of life.

PRESENTATIONS

Presentations – Symposia (since 2012)

Celia-Sanchez, M. L., Cha, L., Miller, G. E., & **Ehrlich, K. B.** (2022, March). *Lifetime unfair treatment and antibody response to pertussis vaccination in pregnant women*. Paper to be presented at the annual meeting of the American Psychosomatic Society, Long Beach, CA.

Cha, L., Celia-Sanchez, M., Lyle, S. M., & **Ehrlich, K. B.** (2022, March). *Adolescents' perceived stress, disclosure preferences, and response to vaccination*. Paper to be presented at the annual meeting of the American Psychosomatic Society, Long Beach, CA.

Wiggins, E. R., Brisson, J. M., Lyle, S. M., Corallo, K. L., & **Ehrlich, K. B.** (2022, March). *Friendship quality and response to vaccination: Exploring the moderating effects of puberty and sex*. Paper to be presented at the annual meeting of the American Psychosomatic Society, Long Beach, CA.

Ehrlich, K. B., Corallo, K. B., & Lyle, S. M. (2020, October). *Linking the social world to physical health: Insights and new directions*. Paper presented at the annual meeting of the International Society for Developmental Psychobiology (held virtually due to COVID-19).

Lyle, S. M., Corallo, K. L., & **Ehrlich, K. B.** (2020, March). *Age, depressive symptoms, and antibody production following influenza vaccination*. Paper accepted to the annual meeting of the American Psychosomatic Society, Long Beach, CA (cancelled due to COVID-19).

Corallo, K. C., Sadiq, A., Lyle, S. M., Bastien, D. C., Wasilewski, I., & **Ehrlich, K. B.** (2020, March). *Parental depressive symptoms and child antibody response to influenza vaccination*. Paper accepted to the annual meeting of the American Psychosomatic Society, Long Beach, CA (cancelled due to COVID-19).

Ehrlich, K. B., Miller, G. E., Rogosch, F. A., & Cicchetti, D. (2019, March). The impact of maltreatment on systemic inflammation in childhood. In S. Horn (Chair), *Novel metabolic and immune biomarkers of toxic stress: New directions and considerations for clinical translatability*. Paper presented at the biennial meeting of the Society for Research on Child Development, Baltimore, MD.

Ehrlich, K. B., Corallo, K. L., & Lyle, S. M. (2019, March). Parental hostility is associated with children's antibody production following influenza vaccination. In S. Bai & E. Mercado (Chairs), *From panoramic to microscopic: Studying links between the family environment and children's mental and physical health through multiple levels of analysis*. Paper presented at the biennial meeting of the Society for Research on Child Development, Baltimore, MD.

Lyle, S. M., Corallo, K. L., & **Ehrlich, K. B.** (2019, March). *Adolescent and parent "shift-and-persist" scores are associated with adolescent antibody response to influenza vaccination*. Paper presented at the annual meeting of the American Psychosomatic Society, Vancouver, BC.

Ehrlich, K. B., Yu, T., Chen, E., Miller, G. E., & Brody, G. H. (2019, March). Risk exposure and harsh parenting in adolescence predict epigenetic aging in young adulthood. In A. Farrell &

- K. Rentscher (Co-Chairs), *Psychosocial experiences and the regulation of the human genome*. Paper presented at the annual meeting of the American Psychosomatic Society, Vancouver, BC.
- Stern, J. A., **Ehrlich, K. B.**, Jones, J. D., Kemeny, M. E., Eccles, J., & Cassidy, J. (2019, March). Close relationships in adolescence and adulthood as predictors of inflammatory markers in midlife. In J. A. Stern (Chair), *Close relationships and physical health: A lifespan developmental perspective*. Paper presented at the Society for Research in Child Development Biennial Meeting, Baltimore, MD.
- Ehrlich, K. B.**, Jones, J. D., Corallo, K. L., Lejuez, C. W., & Cassidy, J. (2018, April). Observed mother and adolescent conflict behaviors are associated with adolescent disruptive behavior symptoms over time. In D. Meter (Chair), *Observations of parent-adolescent interactions predicting adolescent adjustment*. Paper presented at the biennial meeting of the Society for Research on Adolescence, Minneapolis, MN.
- Ehrlich, K. B.**, Lyle, S., Lejuez, C. W., & Cassidy, J. (2018, April). Observed hostility and attachment behaviors during mother-adolescent conflict: Links with adolescent social behavior. In M. Martin (Chair), *Increasing specificity in understanding the links between parent-adolescent attachment and adjustment*. Paper presented at the biennial meeting of the Society for Research on Adolescence, Minneapolis, MN.
- Ehrlich, K. B.**, Miller, G. E., Shalowitz, M., Story, R., Levine, C., Lam, P. H., Austin, M., & Chen, E. (2018, March). Secure base representations in children with asthma: Links with symptoms, family asthma management, and cytokine regulation. In J. R. O'Brien (Chair), *The Impact of Parent-Child Relationships on Child Inflammation*. Paper presented at the annual meeting of the American Psychosomatic Society, Louisville, KY.
- Ehrlich, K. B.**, Miller, G. E., Shalowitz, M., Story, R., Levine, C., Austin, M., Lam, P. H., Corallo, K., Lyle, S., & Chen, E. (2018, March). *Loneliness in children with asthma: Links with symptoms, family asthma management, and cytokine regulation*. Paper presented at the annual meeting of the American Psychosomatic Society, Louisville, KY.
- Ehrlich, K. B.**, Manczak, E., Levine, C., Leigh, A., & Chen, E. (2017, April). Parent and child relationship stress: Unique associations with children's inflammatory profiles. In **K. B. Ehrlich** (Chair), *Social relationships and physical health: Contexts and consequences across development*. Paper presented at the biennial meeting of the Society for Research in Child Development, Austin, TX.
- Ehrlich, K. B.**, Ross, K. M., & Miller, G. E. (2016, April). Early life adversity is associated with a pro-inflammatory phenotype in adolescence. In J. P. Allen (Chair), *Social support and social trauma predict long-term physical health outcomes: Exploring mechanisms and sensitive periods*. Paper presented at the biennial meeting of the Society for Research on Adolescence, Baltimore, MD.
- Ehrlich, K. B.**, Miller, G. E., & Chen, E. (2015, March). Harsh parent-adolescent conflict, gene expression, and symptom severity in adolescents with asthma. In **K. B. Ehrlich** (Chair), *Multilevel perspectives on harsh parenting and maltreatment*. Paper presented at the biennial meeting of the Society for Research in Child Development, Philadelphia, PA.

- Thomas, S.A., **Ehrlich, K. B.**, Augenstein, T.M., Giron, S., Greco, M., Kline, K., Aldao, A., & De Los Reyes, A. (2014, November). *Eliciting a psychophysiological stress response in adolescents using a parent-adolescent conflict task derived from the To(may)to-To(mah)to Interview*. Paper presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.
- Ehrlich, K. B.**, Hoyt, L. T., Sumner, J. A., McDade, T., & Adam, E. K. (2014, March). Quality of relationships with parents and friends in adolescence predicts metabolic risk in young adulthood. In E. K. Adam (Chair), *Embedding development of obesity, metabolic risk, and health in individual and social contexts*. Paper presented at the biennial meeting of the Society for Research on Adolescence, Austin, TX.
- Ehrlich, K. B.**, Felton, J. W., MacPherson, L., Lejuez, C. W., & Cassidy, J. (2014, March). Adolescent interpersonal conflict, depressive symptoms, and risk-taking: A person-centered approach. In R. Schwartz-Mette (Chair), *Adolescent friendships and psychopathology: Influences of relationship quality and interpersonal behavior*. Paper presented at the biennial meeting of the Society for Research on Adolescence, Austin, TX.
- Ehrlich, K. B.**, Miller, G. E., & Chen, E. (2014, March). Cumulative family dysfunction, eosinophil activity, and symptoms in children with asthma. Paper presented at the annual meeting of the American Psychosomatic Society, San Francisco, CA.
- Ehrlich, K. B.**, Richards, J. M., Lejuez, C. W., & Cassidy, J. (2013, April). When parents and adolescents disagree about disagreeing: Observed parent-adolescent communication predicts informant discrepancies. In A. Cogswell (Chair), *New developments in understanding informant discrepancies*. Paper presented at the biennial meeting of the Society for Research in Child Development, Seattle, WA.
- Ehrlich, K. B.**, Kemeny, M., Jones, J. D., Brett, B. E., Dinh, J., Hopper, E., Peck, S. C., Malanchuk, O., Brodish, A., Adam, E. K., Eccles, J. S., & Cassidy, J. (2013, April). When parents and adolescents agree about not disagreeing: Concordance in reports of low conflict predicts later immune functioning. In J. Cassidy (Chair), *Psychosocial predictors of immune functioning: A developmental perspective*. Paper presented at the biennial meeting of the Society for Research in Child Development, Seattle, WA.
- Ehrlich, K. B.**, Cassidy, J., Daughters, S. B., & Lejuez, C. W. (2012, March). Individual and contextual predictors of risk-taking: The roles of adolescent distress intolerance, families, and friendships. In K. A. Degnan & A. N. Almas (Co-Chairs), *Individual differences and contextual effects: Psychosocial outcomes in adolescence and young adulthood*. Paper presented at the biennial meeting of the Society for Research on Adolescence, Vancouver, BC.
- Ehrlich, K. B.**, Cassidy, J., Lejuez, C. W., & Daughters, S. B. (2012, March). Discrepancies about adolescent relationships as a function of informant attachment and depressive symptoms. In A. De Los Reyes (Chair), *Innovative approaches to understanding informant discrepancies in developmental research*. Paper presented at the biennial meeting of the Society for Research on Adolescence, Vancouver, BC.

De Los Reyes, A., **Ehrlich, K. B.**, Swan, A. J., Luo, T., Van Wie, M., & Pabón, S. C. (2012, March). Training informants to provide reports of adolescent and family behavior based on settings of behavioral expression. In A. De Los Reyes (Chair), *Innovative approaches to understanding informant discrepancies in developmental research*. Paper presented at the biennial meeting of the Society for Research on Adolescence, Vancouver, BC.

Presentations – Posters (since 2012)

Brisson, J. M., Wiggins, E. R., Corallo, K. L., Lyle, S. M., & **Ehrlich, K. B.** (2022, March). *Parental depressive symptoms and adolescents' response to influenza vaccination: The moderating role of adolescents' perceptions of parents as a secure base*. Poster to be presented at the annual meeting of the American Psychosomatic Society, Long Beach, CA.

Langer, A. G., Moreno, S., & Ehrlich, K. B. (2022, March). *“Don't be such a baby”: Observed parental reactions to child distress*. Poster accepted for the biennial meeting of the Society for Research on Adolescence, New Orleans, LA.

Wasilewski, I., Corallo, K. L., Lyle, S. M., Sadiq, A., & **Ehrlich, K. B.** (2021, April). *Extracurricular activity involvement in adolescence is associated with less robust antibody response to influenza vaccination*. Poster presented at the biennial meeting of the Society for Research in Child Development Biennial Meeting, (held virtually due to COVID-19).

Corallo, K. L., Lyle, S. M., & **Ehrlich, K. B.** (2020, October). *Emotional distress, targeted rejection, and adaptive immune function in adolescence*. Poster presented at the annual meeting of the International Society for Developmental Psychobiology (held virtually due to COVID-19).

Lyle, S. M., Corallo, K. L., & **Ehrlich, K. B.** (2020, October). *Household chaos and antibody production following vaccination in adolescents*. Poster presented at the annual meeting of the International Society for Developmental Psychobiology (held virtually due to COVID-19).

Wasilewski, I., Corallo, K. C., Lyle, S. M., & **Ehrlich, K. B.** (2020, March). *School risk and antibody response to influenza vaccination in adolescence*. Poster accepted to the annual meeting of the American Psychosomatic Society, Long Beach, CA (cancelled due to COVID-19).

Corallo, K. L., Lyle, S. M., & **Ehrlich, K. B.** (2020, March). *Chronic stress, targeted rejection, and antibody response to influenza vaccination in adolescence*. Poster accepted to the annual meeting of the American Psychosomatic Society, Long Beach, CA (cancelled due to COVID-19).

Fitter, M. H., **Ehrlich, K. B.**, Stern, J. A., Gross, J. T., & Cassidy, J. (2019, July). *Links between adolescent secure base representations and expectations of future romantic relationships*. Poster presented at the International Attachment Conference, Vancouver, BC.

Ehrlich, K. B., Lyle, S. M., & Corallo, K. L. (2019, March). *Parent and child perceived stress and antibody production following vaccination*. Poster presented at the annual meeting of the American Psychosomatic Society, Vancouver, BC.

Fitter, M. H., **Ehrlich, K. B.**, Stern, J. A., Gross, J. T., & Cassidy, J. (2019, March). *Links between adolescent secure base representations and expectations of future romantic relationships*. Poster presented

at the biennial meeting of the Society for Research in Child Development Biennial Meeting, Baltimore, MD.

Corallo, K. L., Lyle, S. M., Murphy, M. L. M., & **Ehrlich, K. B.** (2019, March). *Early environments, parental overprotection, and susceptibility to the common cold*. Poster presented at the annual meeting of the American Psychosomatic Society, Vancouver, BC.

Stern, J. A., Jones, J. D., Fraley, R. C., **Ehrlich, K. B.**, Lejuez, C. W., Shaver, P. R., & Cassidy, J. (2018, April). *Stability of attachment style in adolescence: An empirical test of alternative developmental processes*. Poster presented at the biennial meeting of the Society for Research on Adolescence, Minneapolis, MN.

Stern, J. A., Beijers, R., **Ehrlich, K. B.**, Cassidy, J., & de Weerth, C. (2017, October). *Beyond early adversity: Parenting predicts infant health in a community sample*. Poster presented at the 10th World Congress on Development Origins of Health and Disease, Rotterdam, NL.

Jones, J. D., Brett, B. E., **Ehrlich, K. B.**, Lejuez, C. W., & Cassidy, J. (2015, March). *Link between maternal attachment style and responses to adolescent distress: The underlying role of emotion regulation*. Poster presented at the biennial meeting of the Society for Research in Child Development, Philadelphia, PA.

Ehrlich, K. B., Baveja, S., Miller, G. E., Galvin, J., Weiland, R., Mehta, J., & Penedo, F. J. (2014, August). *Pre-transplant emotional support is associated with longer survival after allogeneic hematopoietic stem cell transplantation*. Poster presented at the 13th International Congress of Behavioral Medicine, Groningen, NL.

Galvin, J., **Ehrlich, K. B.**, Baveja, S., Penedo, F. J., Scheide, T., Valukas, C., Mehta, J., & Miller, G. E. (2014, August). *Socioeconomic status is associated with longer survival after allogeneic hematopoietic stem cell transplantation*. Poster presented at the 13th International Congress of Behavioral Medicine, Groningen, NL.

Ross, K., **Ehrlich, K. B.**, & Miller, G. E. (2014, March). *Cortisol diurnal index stability predicts changes in metabolic syndrome symptoms over 2 years in adolescent girls*. Poster presented at the annual meeting of the American Psychosomatic Society, San Francisco, CA.

McQuillan, M., **Ehrlich, K. B.**, Adam, E. K., & Grant, K. (2013, November). *Victimization is more strongly associated with depressive symptoms for LGBTQ adolescents compared to other adolescents*. Poster presented at the Chicago LGBTQ Health and Wellness Conference, Chicago, IL.

Jones, J. D., **Ehrlich, K. B.**, Smith, R. K., Lejuez, C. W., & Cassidy, J. (2013, April). *Parental attachment style and adolescent risk behavior: The mediating role of parental knowledge*. Poster presented at the biennial meeting of the Society for the Research in Child Development, Seattle, WA.

Brett, B. E., Jones, J. D., **Ehrlich, K. B.**, Kemeny, M., Mohr, J., Hopper, E., Dinh, J., Gross, J., Malanchuk, O., Peck, S. C., Brodish, A., Adam, E. K., Eccles, J. S., & Cassidy, J. (2013, April). *Early adolescent parental attachment support, but not other forms of social support, predicts adult immune functioning*. Poster presented at the biennial meeting of the Society for the Research in Child Development, Seattle, WA.

Ehrlich, K. B., & Miller, G. E. (2013, March). *Relationship stress and inflammation in adolescence*. Poster presented at the annual meeting of the American Psychosomatic Society, Miami, FL.

Thomas, S., Daruwala, S., Reyes, S., **Ehrlich, K. B.**, De Los Reyes, A. (2012, November). *Comparing attitudinally and behaviorally focused survey measures of parental monitoring behaviors*. Poster presented at the main poster exposition of the annual meeting of the Association Behavioral and Cognitive Therapies, Washington, D.C.

Presentations – Invited Talks and Colloquia (Selected)

- 2021 University of Maryland – Developmental Brown Bag (held virtually)
- 2020 University of Washington Social-Developmental Brown Bag (held virtually)
- 2020 Carolina Consortium on Human Development (Chapel Hill, NC)
- 2020 Florida State University Neuroscience Colloquium (Tallahassee, FL)
- 2018 University of Virginia Clinical Psychology Lunch Series (Charlottesville, VA)
- 2017 Attachment Pre-Conference (SRCD)
- 2015 University of North Carolina – Greensboro Clinical Brown Bag (Greensboro, NC)
- 2015 University of Chicago Demography Workshop (Chicago, IL)
- 2014 NMH Hematopoietic Stem Cell Transplant Program (Chicago, IL)

TEACHING EXPERIENCE

Courses Taught at the University of Georgia

- Introduction to Health Psychology (Undergraduate large lecture course)
- The Psychology of Harry Potter (Undergraduate large lecture course)
- Research Methods in Health and Developmental Psychology (Undergraduate capstone course)
- The Psychology of Harry Potter (First Year Odyssey Seminar)
- Adolescent Development (Undergraduate course)
- Social Determinants of Health (Graduate course)

Courses Taught at the University of Maryland

- Psychology of Adolescence (Undergraduate course)
- Graduate Seminar on Research in Developmental Psychology (Co-Instructor)
- Research Methods in Developmental Psychology (Undergraduate course)

DEPARTMENTAL AND UNIVERSITY SERVICE (since 2016)

- 2022 Presidential Graduate Fellows Review Committee
- 2020 Search Committee, Center for Brain Health and Neurological Disorders (UGA)
- 2019- Division 38 (Society for Health Psychology) Membership Committee
- 2018-2019 Psychology Department Endowed Faculty Search Committee
- 2017-2020 Psychology Department: Head's Advisory Committee
- 2017 Human Development and Family Science Faculty Search Committee
- 2016 Review Committee – ARCS Fellows Program (UGA)
